Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

U.S. Patent and Trademark Office
PTOL-1432 (Rev. 04-01)

Notice of Abandonment

Part of Paper No. 03012005

Item 7 - Other reasons for holding abandonment: Examiner contacted Applicant's Representative on the last week of November 2004 to inform the Representative that the Office has not received a response for the Non-Final Office Action that was sent out on 25 February 2004. The Representative states that a reply has been sent. The Examiner requests that the Representative fax a copy of the reply along with a postcard receipt as proof of mailing date to the central fax number 703 872-9306. The representative indidates that he would fax the requested documents on both calls on dates November 2004 and January 2005. On February 18, 2005, Examiner called and left a message requesting that the above-mentioned information be faxed to Examiner's personal fax number in order to ascertain entry of the reply. The Applicant's representative returns Examiner's phone call and said that he would fax it in a couple of days. As of now, the Examiner has not received any of the requested information. This application is technically abandon. The Applicant may have to file a petition to revive the application in order to continue prosecution of the present application.
